

Creation Cards

****Kandinsky's *Thirty* and *Succession***

- 1) **For every positive shape, there is a negative space surrounding it.**
- 2) **Create an OBSTACLE COURSE!**
Who is the positive space? (shapes that don't move)
Who is the moving through negative (empty) space?
- 3) **How are you moving through the empty space? List some verbs/action words! (example: jump)**
- 4) **Can you make your positive shapes contrast with your movers? (example: if your shapes are angular, make your action words smooth and curved)**
- 5) **Choose someone in your group to sketch what they see with paper and charcoal.**
- 6) **Make decisions on form. What do you like?**
Example: 1) Beginning Shape 2) Movement through negative space 3) Ending Shape
- 7) **Roll the Dice! Follow instructions for different numbers.**
Perform your piece:
 - 1) **Fast forward** 2) **slow motion** 3) **reverse** 4) **with no arms** 5) **on the floor** 6) **staring at everyone's elbows**
